If final judgments which are entered simultaneously exceed the Plan’s limit of liability, the Plan’s limit of liability shall be apportioned pro rata to those simultaneous judgments. Any deficiency in Plan Funds which would not permit full payment of any Claim or suit judgment shall not impose any liability on the Employer.

ARTICLE IX

Limit of Liability per Policy Period

   B. that result from the rendering of or failure to render a University Service to any one person or organization.

   This is the maximum amount that the University will pay regardless of the number of Covered Persons, Claims, Related Claims or suits brought, or persons or organizations making Claims, Related Claims, or bringing suits.

2. For Covered Persons providing Clinical Services at a location owned, leased in whole or in part, and under the sole control of the University, the maximum amount payable from Plan Funds will be any applicable medical professional liability self-insured retention together with any program of excess medical insurance purchased by the University as Damages for all covered Claims, Related Claims or suits:

3. For Covered Persons providing Clinical Services at a location not owned, leased in whole or in part, or under the sole control of the University, the maximum amount payable from Plan Funds is one million dollars ($1,000,000) per Claim and three million dollars ($3,000,000) Aggregate, per Covered Person, as Damages for all covered Claims, Related Claims or suits:

The maximum amount payable by the University is $50,000 in any Policy Period, and $100,000 lifetime. The University will not be responsible for legal expenses beyond the initial proceeding. Any fines or penalties assessed by the state licensing body will be the responsibility of the Covered Person, not the University.

5. The Plan’s Limit of Liability for each Claim made or suit brought before July 1, 1992 shall be the balance of the Plan Funds at the time of execution of settlement or entry of final judgment less obligations of the Funds incurred through settlements previously executed and final judgments previously entered.

6. Notwithstanding Items 1-5 of this Article, the Limit of Liability shall not exceed any constitutional, statutory, or other legal limitation imposed upon the University in the payment of funds for such purposes. The Plan Fund(s) or accounts shall exist as long as any Claim or expense payable under the Plan, or any amendments adopted thereto prior to its termination, is outstanding and may become payable from said Fund(s). The money deposited in the Plan Fund(s) shall be used solely for the purpose of payment of such Claims and expenses and shall not be subject to diversion for any other purpose so long as the Plan shall be in effect.

2. The Plan Fund(s) shall be the sole source of all payments made pursuant to the Plan and in no circumstance shall any other funds of the Employer, any Officer or Member of The Board of Trustees individually, any Employee, or any other Covered Person be liable or responsible for payment of any Plan obligation.

ARTICLE XII
